

# Using TIChE2020 Virtual Background

1. Sign in to the **Zoom meeting room**.
2. Click the ^ arrow next to **Start/Stop Video**.
3. Click **Choose Virtual Background**.

4. Click on an image to select the desired virtual background. To add the TIChE2020 virtual background, click the + and upload the **TIChE2020 video** (attached file in this e-mail).

5. Close the **Settings window** and click the **Start Video** to using TIChE2020 virtual background.

## Notes:

- To achieve the best virtual background effect, Zoom recommends using a solid color background, preferably green. Do not wear clothing that is the same color as the virtual background.
- Higher quality cameras with uniform lighting result in a better virtual background.
- After you select an option, that virtual background will display during your meetings.
- To disable Virtual Background, choose the option None.
